

National Curriculum

Year 1 Autumn Term 1

National Curriculum

L

All of Year 1 will be following the Read, Write, Inc literacy programme to develop our phonic and reading skills. We will also be reading Nat Fantastic, re-telling the story and writing sentences about the characters and setting.

N

We will be learning about number and place value. We will be adding numbers within 10 and problem solving. Then we will be learning the names and properties of 2D shapes.

S

We are learning about ourselves this term. This will include naming and labelling the parts of the body and learning how we use our senses to investigate the world around us.

C

In digital literacy the children will become more familiar with the different components of a computer by developing their keyboard and mouse skills, and also start to consider how to use technology responsibly.

Class Information

PE -Friday

Homework

Daily reading

Spellings

3 words per week to be tested on a Friday.

G

This term we will be learning about what geography is and what it means to be a geographer. We will identify and describe physical and human features in our local area and record what we find.

J

In our Jigsaw unit we will be learning to understand our rights and responsibilities as a member of our class.

M

Through listening to a range of different music and playing games, we will learn to identify the difference between the pulse and rhythm.

RE

We are learning to re-tell the Christian Creation story and to explore how this influences how Christians behave towards nature and the environment.

A

As artists we are going to be exploring and experimenting with colour and creating our own artwork based on the work of Romero Britto and Piet Mondrian.

PE

In Indoor PE, we will develop our balance, coordination, core strength and agility through a range of activities. In Outdoor PE, we will practise aiming balls accurately and timing our runs to stop or intercept them.
