

National Curriculum

L

Some of us will be following the Read Write Inc. Literacy programme to develop our phonic and reading skills. In Literacy and Language, we will be writing a story about friendship. We will be writing an explanation of the life cycle of a frog.

N

In Numeracy, we will be learning about number and place value, addition with problem solving, time, shape and multiplication. We will also be learning our 2, 5 and 10 times tables.

S

In Science, we will be learning about animals, including humans. In this topic, children will explore the importance of exercise, diet and good hygiene. We will be working scientifically to observe closely, perform simple tests and gather and record data.

C

In computing, we will be learning to develop our understand of what information technology is. We will begin to identify examples of this. We will discuss where we have seen IT in school and beyond.

Year 2 Autumn Term 1

Class Information

PE will be on a Tuesday.

Homework: Daily reading. TT Rockstars and spellings. Spellings will be given out on Fridays and must be returned by the following Thursday ready to be tested on Friday.

H

In History, we will be learning about how our favourite toys and games compare to those of children from the 1960s. We will also be learning how the invention of the internet has led to a major change in many toys and games.

National Curriculum

J

In our Jigsaw unit 'Being me in my World', we will be learning about our hopes and fears for the year and how we can follow the Jigsaw Charter.

M

In Music, we will be learning to copy rhythms and we will also be learning a traditional African song.

RE

In RE, we will be learning about Christianity. We will be focusing on the good news that some bible stories tell about forgiveness, kindness, peace and love. We will look at different stories that spread this message in Christianity.

DT

In Design and Technology, we will be learning how to peel and chop vegetables safely to make a vegetable soup.

PE

In Indoor PE, we will be learning a simple dance where we will be exploring different levels and speeds of movement. We will also compose and perform simple dance phrases with good shape and position. In Outdoor PE, we will be learning how to throw and catch.
