

National Curriculum

L

In literacy, we will be reading Sand Wizards - a story with a familiar setting. Then, we will describe two contrasting beach settings.

In our non-fiction unit, we will learn features of an information text such as headings & alphabetical order.

N

In numeracy, we will be developing our understanding of number and place value up to 1,000. We will also focus on addition and multiplication, working our way up the pathways and solving problems. Finally, we will be analysing data.

S

In our science work we will be learning about forces and magnets. We will be looking at how objects move against a variety of surfaces and also discovering more about how magnets work.

C

We will be developing our understanding of computers and devices by identifying inputs, outputs and processes in a variety of scenarios as well as knowing about networks and servers and how they are structured.

Year 3 Autumn Term 1

Welcome to Year 3

Class Information

3NC Miss Nelles, Mrs Crowley with Mrs Brownlow. PE Day - Thursday

3PS Mrs Perrow-Smith with Mrs Vickery. PE Day - Friday

G

In geography, we will be answering the question:

'Why do some earthquakes cause more damage than others?'

Whilst discovering where and why earthquakes occur, we will learn about New Zealand, Haiti and Chile.

National Curriculum

J

We will be following the Jigsaw program about 'Being Me in My World'. Through this we will explore ideas of who we are and how we fit in.

F

In MFL we will be learning to say a range of greetings in French using puppets. We will also learn to express our feelings in French.

RE

We will be answering the question 'What is it like for someone to follow God' in relation to Christianity. We will study texts in the Bible to find answers to our questions, focussing mainly on the stories of Noah and Abraham.

A

Our focus, this term, is colour and pointillism. We will study the work of George Seurat and Paul Signac then create our own artwork in a similar style.

PE

In outdoor PE, we will be working on our co-ordination whilst moving a ball. During our indoor PE lessons, we will be exploring African dance. We will work together to perform a dance with rhythm and expression.
