

National Curriculum

Year 6 Autumn Term I

National Curriculum

L

In our daily Literacy lessons, we will explore adventurous stories passed down through generations: Legends. We will analyse their key features and develop powerful writing techniques before creating our own imaginative legend. In our non-fiction unit, we will explore newspaper articles, examining their features, audience and purpose before writing our own.

N

In Numeracy, we will develop our understanding of place value in numbers up to 1,000,000. We will then secure our skills in the four operations: addition, subtraction, multiplication and division.

S

In Science, we will be exploring evolution and inheritance, learning how living things have changed over time and how characteristics are passed from parents to offspring. We will also explore Charles Darwin's work and how his ideas helped shape our understanding of evolution.

C

In our computing lessons, we will be exploring websites and how they work. We will be looking at what makes a good website, website layouts and will design our own websites.

Class Information

Homework will be given every Friday and expected back by the following Wednesday.

PE - Every Monday

Planetarium - Thursday 10th September 2026

Individual photos - Friday 9th October 2026

Parents evening - Monday 12th October/Tuesday 13th October 2026

Harvest Assembly - Friday 16th October 2026

H

In History, we will be exploring the Shang Dynasty, one of the earliest civilisations of Ancient China. We will discover what life was like, explore their beliefs and achievements, and learn about Wang Yirong's discovery of 'dragon bones', which helped uncover evidence about the

J

In our weekly Jigsaw lessons, we will be completing the 'Being Me in My World' puzzle. We will explore our place in the world, setting goals for the year and understanding our rights, responsibilities.

F

In our French, we will be learning about French games and sports including the Olympics.

A

In our weekly Art lessons, we will be looking at line by exploring architecture. We will compare the work from different artists and will create our own pieces of Art based on architecture we have studied.

RE

In RE, we will be exploring 'How do Christians live? What would Jesus do?' We will learn about the four Gospels and explore Jesus' teachings to consider how these teachings influence the way Christians live and act today.

PE

In our Indoor PE, we will learn to choreograph our own street dance routines, ready to perform to our peers. In our outdoor P.E., the children will develop their Tag Rugby skills and apply when playing a game.
