Year 4: History launch day:

Roman Day

Dear Parents/Carers,

On Wednesday 9th September, as part of our Island Invasion History learning, Y4 have the exciting opportunity to welcome in a visitor who will bring their expertise to teach us about the Roman army and lots of other Roman-related facts and information.

This visitor costs £260 for the whole day. This year, we are able to offer this as a free event to our new Y4 cohort.

As the visitor will be dressed up, it would be great if the children could get involved too – if they want to. We are inviting the children to dress up as a Roman: the typical dressing up costume for a Roman involves wearing a **white bed sheet, secured with a clip, a belt or coloured sash and sandals on feet! No need to buy specific Roman outfits – keep it simple!**

It should be a great day full of exciting learning, and we look forward to seeing the children taking part!

Many thanks for your continued support and enthusiasm.

The Year 4 crew
